To

The Director,
Venus Home Appliances,
Chennai.

Sir,

Greetings! This is to bring to you notice that 'VENUS' Solar Water Heater 2000 liters model was installed at our premises – Madurai Apollo Nursing College, Kariapatti, Madurai recently.

This green technology is providing hot water for the students since installation. The system is functioning well without any problem.

I am fully satisfied with the performance of 'VENUS' Solar Water Heater.

Thank you

Dr. A Helen M Perdita

Principal
